Subject: Response to HEC letter re: Interagency O&G Working Group

Attached is the response. It have been reviewed by appropriate program offices and Regions for accuracy and content. Arvin has spoken with Zichal's staff and they have agreed to joint letter. I'm not certain who the contacts will be for each Agency, so I've left pockets to be filled in later. Please forward back after Bob's review and comment. I will have Arvin review and get it over to White House for comment. Thanks.
